Please contact me by the 15th of the month if you have any special schedule request, for the following month. Otherwise if a substitute is needed, please refer to your phone list. If you have any changes that need to be noted, please contact me as soon as possible. If you are not scheduled it is because we have too many servers scheduled for the mass. If you are not scheduled for more than two months please contact Ron. There is a phone list on the back. Please look over the list and get any change back to Ron.
